

Main Line Cheer
Medical Release Form

I, _____, certify that
_____ is capable and able to fulfill the
physical obligations of a cheerleader. I understand that my signature on this form legally
releases all duties and responsibilities for the medical treatment of my child in the event

emergency contact cannot be reached. If there is any physical or medical reason why
he/she can or should not participate fully, Main Line Cheer requires a written doctor's
certifying the inability to participate. Once the cheerleader is released from the doctor's
care and is able to participate without restrictions, another note certifying the ability to
resume is required. Furthermore, Main Line Cheer is not liable for any injury, accident,
or illness incurred during any Main Line Cheer sponsored activity.

In the event of an emergency while my child is participating in a Main Line Cheer
sponsored practice, performance, trip, or event, I grant my permission to the organization
